

Product Data Sheet

Super Blue USA Painters Tape (SB621)

Presto Super Blue USA Painters Tape is a high-performance masking tape that doesn't dry out or lose its holding power and yet can be cleanly removed for up to 21 days.

This tape is commonly used on drywall, glass, hardwood floors, and wood trim, before painting, to prep the area defining what is to be painted and what is not to be painted.

It can also be used in the flooring industry. Use it on hardwood floors and ceramic tiles. The tape can be used to mask floors, hold polyethylene film, and floor markings.

NOTE: The physical properties listed above are typical test results obtained from a series of laboratory tests and should not be used for the purpose of writing specifications. Before using this product, user shall determine the suitability of the product for his/her use; and user assumes all risks and liabilities in connection therewith. All test procedures used are in accordance with ASTM and PSTC methods.
